What does a show of your local love look like?

Paper or digital – look for your opportunity to give during United Way’s annual campaign.

- $5/pay provides a care aide to transport and accompany an isolated senior to a doctor’s appointment.
- $15/pay provides three clinical counselling sessions for a vulnerable youth aged 15-25.
- $20/pay provides activity kits, including art supplies and games, for 33 kids.
- $30/pay provides one month of rent for a former youth in care attending post-secondary education.
- $50/pay provides one weekly grocery hamper for 60 families in need of food and basic necessities.

The calculations on this chart assume that the first $200 donation receives the 15% federal tax credit. If $200 or more has already been given to a charity, then the savings generated by further giving to United Way increase substantially. The figures on this chart are approximate.
